

TIPPING THE SCALES TOWARDS JUSTICE

For nearly 50 years, the Washington Lawyers' Committee for Civil Rights & Urban Affairs has advanced the cause of civil rights through litigation and public policy advocacy. The WLC advocates for people who are discriminated against in jobs, housing, and public accommodations, for immigrants and refugees, for people with disabilities, for people currently or formerly incarcerated, and for DC schoolchildren.

You are tipping the scales! Thank you for being a part of the Washington Lawyers' Committee 2017 Associates Campaign. Because of you, WLC's small staff of civil rights experts can partner with skilled lawyers at private firms across the District, making a big impact in our community.
