

Law Enforcement Encounters: Know Your Rights

IN YOUR WORKPLACE

- If you are stopped, **do not run** and **do not provide false information**.
- If you are asked questions, say “I want to **remain silent** and **speak with a lawyer**.”
- Do not answer questions about your **immigration status** or otherwise reveal your immigration status.

IN YOUR HOME

- If ICE agents come to your home, **do not open the door**.
- Ask to see a judicial warrant. Ask ICE to slip it under the door or window.
- If they do not have a warrant, **do not answer their questions**. Say “I do not consent to your entry.”
- If they have a warrant, check that it is **signed by a judge**. If it is not, do not consent to entry or answer questions.
- If they have a warrant signed by a judge, ICE agents can only **search the place named** in the warrant or **detain the person named** in the warrant.
- If there is a person named in the judicial warrant, send **only** that person out of the home to be detained. Do not answer questions about persons not named in the warrant.
- **Do not sign** anything that ICE gives you, without first talking to an attorney.
